Kelly Wallace

Kelly brings more than 31 years of industry experience and has held various leadership positions throughout PCL across Canada for more than 27 years. He began his career in Winnipeg in 1998, progressing to senior project manager before transferring to Edmonton to take on a construction manager role on some very high-profile healthcare projects. Thereafter, he took on the role of Special Projects manager. He transferred to Toronto as operations manager in 2013, progressing to vice president and district manager in Toronto, before returning to his roots in Manitoba to oversee the Winnipeg district as vice president and district manager.

Kelly is a graduate of the civil engineering technology program at Red River College. He was the recipient of the 2004 Robert Stollery Construction Leadership Award, one of the highest awards of excellence given out by PCL to recognize exemplary leadership qualities and contributions to the growth of the PCL family of companies. He is also Gold Seal Certified, a LEED Accredited Professional and a member of the Certified Technicians & Technologists Association of Manitoba.
